The Comptroller accordingly certifies to a gratuity of Rs 205 ~~Two hundred and five~~ thus computed, and makes a foot note to the effect that if the service rendered as Sheikdar on Rs 10/- is treated as Superior Service, as requested by the Deputy Commr. ~~copy of whose communication is attached to the application~~, his total Superior Service (yrs m ds) would then be 20-1-22, and the applicant will be entitled to a pension of Rs 5/- therefor.

The matter was accordingly referred to the Comptroller for opinion who in reply stated that the applicant in question can be granted a gratuity of Rs. 65 for the remaining qualifying service of 13 years 4 odd in addition to a superior pension for the service of 10 years proposed to be made up by

by condoning the deficiency of 9 months & 26 days required to make up that period.

A further reference was then made to the same officer asking him to state the rule or authority on which his recommendation was based and to quote any precedent of the kind under reference, citing at same time any corresponding provision in the British Service Regulations.

In acknowledging receipt of the above the Comptroller states that there is no precedent but quotes as corresponding provision, India Govt. No: 1757 P. Fin. dated 18th April/96 cited in Madras Supplement to the Civil Service Regulations, which runs as follows

Service partly Inferior & partly Superior

× × ×

"The concessions allowed by articles 465 A(2) and 436 cannot be combined, and if an Officer elects to count the Superior and inferior portions of his Service separately, the portions of the Service counting for pension under the Superior and Inferior Scales should be the portions actually passed in Service, and not the periods calculated by first applying the rule regarding condonation of deficiency in Superior Service in consideration of additional inferior Service".

From the above ruling it will be seen that the Applicant will be entitled to a Superior pension only (without any gratuity) if the said deficiency in

in his Superior Service is condoned.

A Draft order is submitted for approval asking the Deputy Comr to propose Sr. to ascertain the wishes of the Applicant on the subject & to intimate the same to this office.

Letter No: 10172/1074 dated 30th June 1898 from the Comptroller to the Govt. of Mysore submitting for orders duly verified and reported on an application for gratuity on behalf of Venkatramiah late Record keeper Mandya Taluk.

2. Letter No: 6281/D&A 616 dated 12th April 1899 from the same Officer.

Order thereon

The total length of qualifying service put in by Venkatramiah amounts to 23-10-8 of which 14-8-4 were in the Inferior and 9-2-4 in the Superior grades thereby entitling him only to a gratuity of Rs. 205 under art 258(b), 320(a) & 324(a)(ii), as reported by the Comptroller

Sub. to 1st Counsel for approval. AK 22/5/99.

in the first of the letters read above.

2. On a reference being made from this office that the Paying Officer made, the Comptroller now reports that the applicant may be granted a pension under the Superior Scale deficient by condoning the period of 9 months & 26 days required to make up 10 years' Superior Service, under the provisions of Art: 275 A (clause 2) as well as a gratuity for the Superior Service of 13-3-3 yrs m ds that remains after deducting the said 9 m & 26 days from the Superior Service of 14-8-4 rendered by him.

3. The Govt: are pleased to sanction the payment to him of a Superior pension of Rs: 2-8-0 per mensem with effect from 22nd July/96 and an inferior gratuity of Rs: 65- thus admissible to him

As the applicant is reported to have elected to take the smaller gratuity combined with the pension **

Submitted.

Under the above rules the applicant is entitled to a pension of $3.205 per diem for life; but it is proposed to grant him a pension of $2.50 per diem for his unfitness for service, a pension of $3.65 per diem being the maximum pension admissible. He is invalided on account of Partial Paralysis and heart disease & his present age is 53 years. If the Govt. are pleased to grant him the pension of $3.205 with the option of $3.65 in lieu of the pension of $2.205 admissible to him under the ordinary rules, it is submitted that the applicant's wishes as to which of the two he would elect may be ascertained before issuing final orders.

2. His claim to the pension has been ascertained. The applicant's statement is not on file, but he made it before the Medical Board which reported him unfit for service. The Medical Board's report makes no mention of the applicant's character & conduct, but it is sufficient for the purpose.

3. He has served in the Army for 10 years & 205 days, of which 7 years & 205 days were passed in the Colonies, & 3 years in the United Kingdom. He is entitled to reckon his service as follows:-

7 years in the Colonies at 1½ = 10½ years
3 years in the United Kingdom at 1 = 3 years
Total = 13½ years

The average emoluments drawn during the last 5 years of service amount to $3.15, the pay drawn while in Superior Service.

4. The amounts of both the pension and gratuity will be debited to Colonial Revenues.

MEDICAL CERTIFICATE

UNDER SECTION 51 OF THE CIVIL PENSION CODE.

The form of the certificate to be given respecting an officer applying for pension in India is as follows :—

Certified that I have carefully examined Venkataramaiah son of Venkatrangia, a Record Keeper in the Maudya Taluk. His age is, by his own statement, 51 years, and, by appearance, about 51 years.

I consider him to be completely and permanently incapacitated for further service of any kind (or in the Department to which he belongs,) in consequence of Partial Paralysis & Heart disease. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

(If the incapacity does not appear to be complete and permanent, the certificate should be modified accordingly and the following addition should be made :—)

of opinion that is fit for further service of a less laborious character than that which he has been doing, (or may after resting for months, be fit for further service of a less laborious character than that which he has been doing.)

would solicit the favour of your forwarding the papers of Venkata Ramiah for the special Consideration of Government to order the inclusion of his Rs. 10/- Sheikdary service of 10 years 9 months 26 days in the superior service entitling him to superior pension in order that the pension that will be granted to him may support at least one soul.

3

9. Venkata Ramiah prays that in consideration of his long service of more than 27 years, the circumstances of his retirement, and his inability to earn anything to supplement the small pension that is proposed to be given to him to support himself and his family, the Government may be moved to treat his case as a special one; Considering the circumstances of his case which deserves some commisseration, I have Ventured to Submit these papers to you for being forwarded to Government with your kind recommendation under article 479-A of the Mysore Service Regulations which authorizes such recommendations.

Sheikdar was partial paralysis. Venkata Ramiah having got over the worst effects of his complaint and recovered sufficient health and strength to do desk work, joined his duty after availing himself of leave for nearly two years and shortly afterwards succeeded in getting a transfer to the Mandya taluk as Record keeper of that taluk. He appears to have given satisfaction in this latter work as is evident from the recommendation of the Amildar for his retention. I have further to observe that from the latter part of the note appended to article 260 of the Mysore Service Regulations, it seems to be the principle of granting pensions for superior work performed by a person though bearing an inferior designation. Venkata Ramiah not only performed superior work under due authority but also bore a superior designation.

6. I need not state here that the duties of a Sheikdar have to be performed by intelligent and educated men and that such work should necessarily be classed as superior work. The misfortune of Venkata Ramiah lies not in the nature of work performed nor in the designation borne by him, but in the pay attached to his grade.

7. Again I may not be far wrong in thinking that the illness of Venkata Ramiah was brought on by hard work often performed without timely meals and constant travelling in the scorching heat of summer.

8. In the above circumstances I would

choose to receive a very small pension of Rs 2/- and annas eight per mensem in addition to a gratuity of Rs 65-/- payable for the inferior service. Venkata Ramiah being called upon to choose between the two alternatives offered to him, has very reluctantly chosen the latter proposal (vide his statement given before the Amildar)

After giving his statement to the above effect to the Amildar of Mandya, Venkata Ramiah has submitted a petition (enclosed) to this office representing the unfortunate circumstances under which he was compulsorily retired and praying that the period of his service as last grade Sheikdar now included in the inferior service may be counted as superior service on the score of his work as Sheikdar of the last grade being not inferior to the work of his brother sheikdars of the higher grade entitled to the superior service

3. In all, taking the superior and inferior services together, Venkata Ramiah has served Government 27 years 11 months and 5 days. If he had been permitted to remain in the service 3 years longer he would have become entitled to a better pension than the one now offered to him under article 324 of the Mysore Service Regulations for the whole period of his service treated even as superior.

4. His retention in the service was strongly recommended by the Amildar of Mandya taluk when the then Sub Division officer Mr P. Panchanatha Row proposed his retirement, but the recommendation did not succeed--

Letter No. 10172 dt 30th June/98, from the Comptroller & the Govt of Mysore submitting proofs duly verified & reported on, an application for pension on behalf of Venkatramiah, late recordkeeper, Maralya Taluk. No. 8619 dt 24/11/99.

Order No 8619 / 696 dt 24-1-99

It is observed from the petition referred to above that Venkatramiah has put in a service of 23-10-8 in all, as detailed below—

	yrs. mns. dys
(1) Service as Rakshavan on pay Rs 6 from 16th Aug 1768 to 30th April 1772	3-8-16
(2) Service as Shekdar on pay Rs 10 from 1st May 1872 to 31st Dec 1883 minus the periods of two breaks amtg: to 8 months & 12 days	10-11-18
(3) Service as Shekdar on pay above Rs 10 from 1st January 1884 to 21st July 96 minus the periods of leave other than privilege leave & casual leave amtg: to	3-4-17
	9-2-4

2. Under the rules the services entered against (1) and (2) above are "Superior Service" and that entered against (3) is Superior Service. The latter being less than 10 years, the minimum Service

required for a ~~pension~~ Superior pension, he is entitled only to a pension ~~at~~ for the whole period of his service. In certifying according to a pension of £205, the Comptroller makes a footnote to the effect that if the service rendered as Sheriff on 20/1/22 is treated as Superior service ~~his~~ the total length of the Superior service would then be 20 yrs. 2 mos. 1 day — 20-1-22 & the applicant will be entitled to a pension of £345 per annum. ~~But~~ The Govt. are not prepared to accept ~~the Comptroller's~~ this suggestion which is not authorised by the Pension Regulations, but they have ~~made no objection to the note as it would establish a bad precedent.~~ They are however, prepared to condone the deficiency of 9 months & 26 days from the applicant's Superior service making up to 30 years by deduction required to make up 30 years in the applicant's case upon which 27 5 A (Clause 2) in view of his being granted a pension under the Superior scale. ~~The point where the point on which Comptroller's opinion is required is~~ The Comptroller is requested to report whether in addition to the pension for the 10 years service now made up, the applicant can be granted gratuity for the Superior service that remains after deducting 9 months & 26 days from the said service ~~to be taken for making up 30 years' Superior service~~. An early reply is requested.

To entitle him however to a pension under the Superior Scale computed @ $\frac{10}{60}$ which would be Rs. 2-8-- per mensem, he should have completed 10 years service which in his case falls short by 9 months and 26 days. Under Art 275-A (2) of the Imperial Service Regulations it is open to the Govt: to condone the said deficiency and grant him a pension of Rs. 2-8-- per mensem (without any gratuity for the ~~Inferior~~ Inferior portion of his Service) if this is preferred by the Applicant. The Deputy Comr will therefore be so good as to ascertain his wishes and intimate the same to this office at an early date.
